this workbook is called on business and for pleasure again because it is a sequel to the previous book on business english written by the same author although it has been designed to help students with the english they need for their work it is hoped that the challenges it sets will at the same time prove to be enjoyable an answer key has been included so the learners can check what they have done and thus work independently if that is what suits them best and the exercises are of the kind of length that will enable students to work on them when they have relatively short periods of time to spare such as while commuting to and from work on public transport the size of the book should make this convenient too with it being available in paperback rather than in a larger format
