will poisoned indians conquer the united states in the twenty first century is there anything that can be done to stop them can the united states s oldest and most loyal indian military ally the choctaws stop them or do choctaws pose the most difficult problem of all in this provocative and incendiary book d l birchfield bluntly points out what few are willing to say america s population superiority is now meaningless its population density is a crippling liability and the united states has a dangerous indian problem if you don t know about the american betrayal of the choctaws or whether choctaws are still loyal to the united states or why the third largest indian nation in north america is virtually unknown to americans sit back and hold on as birchfield pulls back the curtain to reveal a startling future with an irreverence and disdain for convention that is anything but subtle

this book looks at atonement biblically theologically historically and sacramentally biblically it is tied to scripture s narrative of humanity s failure to fulfill god s intention and god s subsequent covenant with abraham fulfilled in jesus theologically in jesus the eternal logos became incarnate to fulfill god s intention to deal with sin and begin again with a new creation jesus death was not a payment for anything to anyone it was the triune god s non violent way of absorbing defeating and overcoming sin and death for the world two chapters focus on sacrifice how it functioned in israel s life with god how paul and hebrews use it and how it thereafter took on pagan connotations historically three chapters review the development of atonement theories through gustav aulén s christus victor after reviewing atonement theologies of the last seventy five years especially feminist critiques of them this retrieves irenaeus and athanasius offering an understanding of atonement influenced by baillie barth moltmann torrance von balthazar tanner and weaver sacramentally it describes how atonement is realized through the word baptism eucharist and prayer sacramental atonement nurtures those in christ as members of god s new creation through jesus continuing high priestly ministry of atonement until his final return

struggling with motherhood and feeling guilty on top of it faith bogdan gives you guidance and hope to be the person and the mom

you were made to be

have you tried purpose driven life styles after y2k prayed the prayer of jabez and still find yourself empty and dissatisfied come credit crisis in 9 â 08 or oil spilling off the casino coast we have our journey takes us back to christâ from protestant â œworkaholic righteousnessâ â even from mother teresaâ s revelations how she lost the presence of jesus in her life over sixty six years of serving the poor in calcutta india could we find ourselves alienated from christ too oh yes whereâ s the joy and satisfaction we once knew is tithing by law what god wants join us in finding out what jesus christ really has to say about trusting in ourselves america and easy step what works for me theology

the environment within which humans interact has changed dramatically since the industrial revolution however their expectations stem from the same hopes and dreams people have had from the beginning of humankind when men revolt and why encourages readers to look closer and more deeply into the relationships between humans and the institutions that have originated to help them realize their full potential the contributors not only examine people but also the need to change institutions that have outworn their usefulness when institutions inhibit rather than facilitate everyone s desire to live a full life the result is likely to be violence this book offers the ideas of many people who have tried to dig deeper into basic causes of violence included in this volume are selections by aristotle toccqueville marx and engels and brinton the ideas they espoused still hold vitality in his new introduction james davies talks about the circumstances under which this book was originally published in vietnam a people were fighting for their autonomy in the united states many americans were protesting against american involvement in the vietnam war blacks were marching for their civil rights women were fighting for equality time has tempered these conflicts davies maintains that we remain ignorant of the elemental forces that impel people and nations to resort to violence we are usually surprised by their anger and shocked by their violence davies asserts that we need to learn more about how humans respond to change so as to prepare ourselves for such responses to change when men revolt and why is as timely as ever as we deal with uncertainty in various areas of the world the former yugoslavia the middle east and ireland among others it is especially pertinent for political scientists historians and sociologists

in this refreshingly down to earth exploration of human mating and sexuality an acclaimed anthropologist looks at why we fall in love with the people we do a personal feminist take on the mating game scientific american an acclaimed anthropologist looks at the fascinating intersection between the imperatives of our glands and genes and the culture in which we live why do we fall in love with the people we do is there an alternative more feminist way to interpret traditional human sexual biology and evolution these are but a few of the questions that anthropologist meredith small explores in her compelling book on human mating what s love got to do with it

a beautiful half native american half scottish orphan raised by a harsh mexican ranchera ramona enters into a forbidden love affair with a heroic mission indian named alessandro the pair s adventures after they elope paint a vivid portrait of california history and the woeful fate of native americans and mexicans whose lands and rights were stripped as anglo americans overran southern california
